

WESTON HORTICULTURAL SOCIETY

July 2025

Dear Members,

I hope you are all well and enjoying the warm weather and long daylight hours. It is a busy time in the garden; plants are shooting up, including weeds, and there is plenty of watering to be done with the hot dry weather we have had in the last month.

Just to remind you that our next meeting is on a new day. Wednesday 2nd July, time 7.30pm at St Peter's church hall. All our future meetings will be on the first Wednesday of the month.

The speaker will be John Addison, and his talk will be 'Pruning Shrubs and Fruit'

Just to remind you that Roger Bailey has arranged for a guided tour of The Bishop's Palace Gardens at Wells Cathedral on Wednesday 6th August. We would like to confirm numbers and travelling arrangements. The cost is £9 per person. Could you please bring the money to the meeting this coming Wednesday?

If you are unable to attend the meeting, but would like to go to Wells, could you let me know by email, and I will confirm the details to you after the July meeting.

.

The June meeting was held at the Coleridge Community Gardens. Many thanks to Georgina Heathcote for organising the visit and guiding the group around the gardens. The variety of vegetables and plants growing was amazing. The evening was enjoyed by all.

The Flower Show Schedule is completed and I have attached a copy below. I will bring hard copies to the meeting.

I can be contacted on my own email 1951chapman@gmail.com or by mobile phone 07983691157

Kind regards,
John Chapman,
Chairman.
